If the entry in column 1 is less than the entry in column 2 write 0 in column 1.

It has been suggested that the presence of a large number of small, independent, and non-competitive firms in an industry is a sign of a healthy and competitive market. This is not necessarily true, as the presence of such firms can also be a sign of a market that is not competitive. For example, in the case of the steel industry, the presence of many small, independent firms is a sign of a market that is not competitive, as the large firms in the industry are able to dominate the market and drive the small firms out of business.

If the "Highest Reported Percentage Paid For US Govt SpA(Ch) sales in FY ended 12-31-09 is less than or equal to 10%, then the "US Govt SpA(Ch) Sales" field will be blank.

The Highest Number Previously Paid For (Total or Independent) is the highest number found in the appropriate box on previous (
